Announcing the Logan Strong Foundation

Jennifer, Kevin and Logan Fogg are thrilled to share with you the establishment of the Logan Strong Foundation. The Foundations' purpose is to help raise childhood cancer awareness, and to provide items of comfort and support for children and families, while they are fighting cancer in and out of the hospital.

Our initial Event will be the Inaugural Logan Cup, being held at Western Turnpike Golf Course in Guilderland NY, on May 17th, 2018.

We are excited to be partnering with many local businesses for this event. In addition, we will be hosting a networking cocktail hour at 5 pm and networking dinner starting at 6 pm, where will be doing our Foundation Ribbon Cutting.

We are excited for this event, and the possibility for helping families during this very difficult process, which the Fogg Family has experienced first-hand.
